Unique Sponsorship Opportunity

As you may know, our Saturday 31st March meeting at Donington Park will be featured live on Motors TV. This creates a fantastic sponsorship opportunity for a company to get real exposure to a huge audience.

The "Sponsorship" package;

- The Races will be called the "*Sponsors"* Historic Formula Junior Races.
- This title (as above) will appear as a graphic on the screen throughout the live coverage, which will be the 2 x 15 minute races plus prizegiving.
- The Sponsor can present the garlands/trophies. (provided by the event).
- The title will be featured in the Race Programme and prior publicity.
- Extras by negotiation.

Please contact Sarah ASAP to discuss this further.

Race Retro: 24th – 26th February

FJHRA will once again be at Race Retro in 2012, on the HSCC stand on 'Speed Street' located in Hall 2 Stand D36.

Duncan will be there all 3 days, Grant will be there Friday and Saturday for any technical queries, and Bob will be there Saturday and Sunday if Duncan's already busy twitching his

notebook talking to someone else, and to tempt any more of you to NZ / Australia next winter.

I can't make it this year unfortunately, so if you were planning to renew your subs at the show, can I suggest it might be easier to do so in advance via email.

For anyone wishing to buy tickets, there is a £2 discount if you quote the reference HSCC12 when booking through the event website; http://www.raceretro.com

Saab Museum Cars for sale update;

To follow up on the news that the Saab Car Museum collection was up for sale, we have the following update;

> "We wish to inform you that the Saab Car Museum will remain in its entirety in Trollhättan. The City of Trollhättan in close cooperation with Saab AB, Linköping, and a foundation (Stiftelsen Marcus och Amalia Wallenbergs Minnesfond) won the tendering."

Kind regards,

Sarah
